## IMPORTANT POINTS TO NOTE

- 1) Due to printing limitations some colours may vary slightly.
- 2) Lead and Brass are natural materials which oxidise. The lead will age naturally. Brass fittings will require usual maintenance.
- 3) Not all panel styles suit all door sizes, due to mould sizes. Please consult your dealer for advice.
- 4) Classic Door panels reserve the right to alter specifications in line with our policy of continuing development.

# The Gold Range

These panels are triple glazed. The centre pane is individual pieces of glass and bevels. The outer panes are clear glass **only**.

The **Gold Range** brings together our most exclusive panels as they are manufactured using individual pieces of glass handcrafted with brass cane.

This unique triple glazed construction makes the glass secure, safe and maintenance free.

**Gold designs are not interchangeable between moulds nor are sidelights available.**
